

Mikayla Mathieu

I started sailing at 7 years old. I sailed Optimis and c420s at Hyannis Yacht Club and eventually Wianno yacht club. I was named 2016 Sailor of the Year at Hyannis Yacht Club. I also have been sailing for Barnstable High School since Freshman year. Our team has been one of the top 16 teams in New England for two years in a row and this year we hope to be in the top 8. BHS is also ranked as one of the top public school teams in NE.

I was named Most Valuable Crew on varsity and this year I am the captain of the BHS sailing team. I sailed this past year with LISOT a competitive c420 travel team with some of the best coaches in the world. I successfully placed in the top 15 at c420 Nationals this summer as a crew. Following my results, I was recruited by some of the top schools in the country for sailing including Georgetown, Tufts and, Boston College. I will be sailing at Boston College next year with a major in Biochemistry on the pre-med track.
